Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball,

basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Matthew Knox Award

This award was inaugurated in 2005 to recognize and honour the accomplishments of the individual whose name this award bears. Matthew Knox, a fourth year Bachelor of Science (Kinesiology) student was one of three Dalhousie students in 2005 to win one of the three Rhodes Scholarships awarded annually to Canada’s Atlantic region for study at Oxford University. The Rhodes Scholarship, first established in 1902, is the oldest of the international study awards available to Canadian students. Of all the Dalhousie student to have won this award since its inception, Matthew Knox was the first ever recipient from the Faculty of Health Professions. The criteria for the Rhodes Scholarship, set down in the Will of the British philanthropist and colonial pioneer, are high academic achievement, integrity of character, a spirit of unselfishness, respect for others, potential for leadership and physical vigor. These basic characteristics are directed at fulfilling Cecil Rhodes’ hopes that Rhodes Scholars would make an effective and positive contribution throughout the world. These criteria will be used as guidelines in the determination of appropriate prospective student recipients in the School of Health and Human Performance for the Matthew Knox Award on a perpetual basis.

Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of

the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of

persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of

coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its

women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until

now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until

now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Applicants will have demonstrated financial need and have satisfactory academic standing.

Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Eligibility: Available to athletes in the women's basketball program at Dalhousie University (excluding the Dalhousie Faculty of Agriculture).

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986, 1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the

development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Dalhousie Memorial Bursary Fund

From time to time at Dalhousie contributions have been made to the University as a memorial subscription in honour of some student or former student. Until now there has been no proper place into which these funds could be channeled. Because of these occurrences a Dalhousie Memorial Bursary Fund has been established. The existence of the fund will be commemorated by a book of remembrance to be located in a prominent place in the Killam Library. Names of persons in whose memory contributions have been made by relatives, friends, individuals or groups, to the Memorial Fund will be recorded in the book, along with the date of their birth and death. The pages will be turned on a regular basis. All money contributed to the Fund will be invested by the Board of Governors and only the investment income will be awarded. The award will be available to any full-time Dalhousie student, already registered and in attendance at courses, who can show a need for additional support.

Eligibility: Available to undergraduate students registered in the Faculty of Architecture & Planning, Arts & Social Sciences, Computer Science, Engineering, Health Professions, Management, Science, or the Dental Hygiene program. Dr. Carolyn Savoy Award of Excellence

In March of 2009, Dr. Carolyn Savoy announced her retirement from coaching, after a 32-year career of outstanding service to Dalhousie University and its women's basketball program. Carolyn continues to work as an Associate Professor in the School of Health and Human Performance at Dalhousie. Dr. Savoy came to Dalhousie in 1977 as head coach of the women's basketball team, following seven years in the same capacity at St. FX. In over three decades of coaching, Coach Savoy posted very impressive results, including an 858-292 CIS win-loss record for a 74.5 winning percentage. A four-time AUS Coach of the Year, she led the Tigers to the national final in 1980, the semifinals in 1982, to a fourth place CIS finish in 2007 and placed sixth at nationals in 1986,

1996 and 2001. Coach Savoy's teams won nine regular season AUS titles and five AUS championships. Academically, her teams had a 100% graduation record for those playing three to five years in the program. As a Level 4 basketball master course conductor, Carolyn has coached at the national and international level as an assistant with the Canadian national team program and also served as head coach of the 2001 Nova Scotia Canada Games team. She completed her BPE degree in 1969 at the University of New Brunswick. She enjoyed an outstanding athletic career at UNB, where she was a star volleyball, basketball (she played on a team that compiled a 93-game winning streak) and field hockey player. She began her coaching career at St. FX (1969-77), where she transformed both the basketball and field hockey teams into winning programs. Carolyn has been honoured with a number of prestigious awards including the 2002 Women of Excellence award in the health, sport and fitness category. In 2005 she received the Frank Baldwin award for her contribution to the development of basketball in Nova Scotia. She was also inducted to the Saint John Sport Hall of Fame as a builder in 2003.

Introduction

The following section of the calendar outlines the University Regulations on academic fees for both full-time and part-time students enrolled in programs of study during the Fall, Winter and Summer terms. A section on University residence and housing fees is also

included. Students wishing to register for the Summer Term should consult the summer school timetable online at www.dal.ca for information on registration dates and fees.

All fees are subject to change with approval of the Board of Governors of Dalhousie University. The 2023/2024 Academic Fee Schedule will be available in the summer 2023 term at www.moneymatters.dal.ca.

NOTE: Student tuition fees and other fees published herein are applicable only to regular students admitted to a program through the normal application process. Other students who are admitted to Dalhousie under a special program or policy will be charged student tuition and other fees in accordance with such special program or policy. For further information regarding these fees, please contact Student Accounts or the Dean's office of the applicable faculty.

Students should make special note of the academic dates contained in the front section of the calendar as well as fee dates. Students should also be aware that additional fees and/or interest will be charged when deadlines for payment of fees as contained herein are not met.

All the regulations in this section may not apply to Graduate Students. Please refer to the [Faculty of Graduate Studies](#) section of the Graduate Calendar.

University Regulations

The following general regulations are applicable to all payments made to the University in respect of fees. Please refer to our website for additional information on payment options: www.moneymatters.dal.ca.

- Fees must be paid in Canadian funds by online bank payment, interac, negotiable cheque or money order.
- Money transferred to a student's account are not to exceed the annual charges associated with tuition and ancillary fees. Funding for off-campus and personal expenses is to be sent directly to the student. Overpayment on a student's account may result in funds being withheld and applied toward future term fees for up to one academic year.
- If payment by cheque is returned by the bank as non-negotiable, there will be an additional fee of \$20 and the account will be considered unpaid. Furthermore, if the bank returns a cheque that was to cover payment of tuition, the student's registration may be cancelled and, if permitted to re-register, a late fee will apply.
- Accounts in arrears must be paid by certified cheque, money order or interac prior to registration in a future term.

Admission Deposits

A non-refundable deposit of \$200 is payable on acceptance to all new undergraduate and graduate programs. Undergraduate students admitted by April 20 are required to pay the deposit by May 15. Undergraduate students accepted after April 20 must pay the deposit within three weeks of receiving an offer of admission. Graduate students must pay the deposit within four weeks of receiving an offer of admission.

Undergraduate Medicine and Law students are required to pay a \$500 non-refundable, admission deposit.

International Dentistry, Qualifying Dentistry and Internetworking students are required to pay a \$2,500 non-refundable admission deposit.

Admission deposits are later credited towards tuition fees for the applicable term.

Registration

A student is considered registered after selection of course(s).

Selection of course(s) is deemed to be an agreement by the student for the payment of all assessed fees.

Non attendance does not constitute withdrawal. Students must ensure that they cancel registration in all courses if they choose to withdraw.

Identification Cards (DalCard)

All registered full- and part-time students should obtain a DalCard following registration in the current year. Please allow 3 business days after being registered as a student before picking up your DalCard. Replacements for lost/stolen/damaged cards are subject to a \$15 replacement charge. For more information, please visit dal.ca/dalcard.

Audit Courses

All students auditing a course pay one-half of the regular tuition fee plus full auxiliary fees, if applicable. In such cases, the student is required to complete the usual registration process.

A student who is registered to audit a course, who during the session wishes to change their registration to credit, must receive approval from the Registrar. This must be done on or before the last day for withdrawal without academic penalty. The same deadline applies for a change from credit to audit. Graduate students please see Section 6.6.4 for audit information.

Late Registration

Students are expected to register on or before the specified registration dates. Students wishing to register after these dates must receive the approval of the Registrar. A late registration fee of \$50 will apply if registration and payment of fees has not been completed by specified dates. This fee is payable at time of payment and will be in addition to regular fees.

Course Changes and Withdrawals

Please consult Student Accounts for all financial charges and the Registrar's Office for academic regulations.

Students withdrawing from all courses must submit written notification to the Registrar's Office. Non attendance does not constitute withdrawal, you must ensure courses are dropped. Refunds due to class withdrawals will be effective the date a course(s) is dropped online at dalonline.dal.ca or written notification is received at the Registrar's Office. Please contact Student Accounts to have your refund processed.

In the Faculty of Health, students who wish to withdraw from the University must obtain written approval from the appropriate school or college and submit the appropriate forms to the Registrar. Students in these faculties should continue to attend classes until their withdrawal has been approved.

Academic Fees

Upon approval of the 2022/2023 academic fees, a complete schedule showing the payment dates will be available in June 2022 at www.moneymatters.dal.ca. Students are advised that fees are subject to change by approval of the Board of Governors, and it is likely that tuition and fees will increase during each year of study.

NOTE: Students registered in more than one program are required to pay separate academic fees for each program. Additional course specific auxiliary fees may apply, as well as fees for online courses or programs related to distance delivery.

Exchange Students

Outbound exchange students whose fees are paid to Dalhousie University will be assessed tuition and fees for 15 credit hours for the faculty of their degree.

International Students

Additional International Tuition Fee

Registered students, who are not Canadian citizens or permanent residents are required to pay an Additional International Tuition Fee to a maximum of \$7,470.00 per term, subject to increase in 2022/2023. The rate for students returning in 2021/22 to their 2018/2019 programme of study is \$5,196.00 per term or \$7,179.00 per year for those in thesis-based graduate programmes. There is a proportional charge for part-time international students. International Dentistry, Qualifying Dentistry and Internet working students are exempt, as are PhD students who were admitted for September 2019 onwards. Graduate Students please refer to [Section 5.7 of the Graduate Studies Calendar](#) to determine the number of years a student is required to pay the international tuition fee.

If a student receives permanent resident status, the Additional International Tuition Fee will not be assessed for the current term and beyond. In order to process a retroactive reimbursement of differential fees in a current term, acceptable proof of residency must be submitted to the Registrar's Office prior to the last business day of December, April, and August for each term.

Health Insurance

International students will be charged for an International Student Health Insurance Plan when they register. If a student already has sufficient, comparable health coverage, they can apply to opt out of the International Student Plan at the DSU Health Plan Office before September 17, 2021. More details on the international student health plan costs, coverage and the opt-out process can be found at www.dsu.ca. Full-time international students will also be assessed the extended DSU Health and Dental plans.

- Single - \$ 740.74 per year
- Family - \$1,864.06 per year

Student Fees

In addition to tuition and course related fees, the following mandatory incidental fees may apply. These fees are non-refundable beyond the due date for each term. In cases of late cancellations or retro-active withdrawal, the mandatory incidental fees remain payable. Rates provided as information only, subject to change for 2021/2022.

Student Union Fee

Every student registered at Dalhousie is a member of the Student Union and required to pay a Student Union fee as part of their registration procedure. These fees have been approved by students in referenda and, along with other revenue of the Union, are allocated each year by the Student Council budget.

For information only, 2021/2022 full-time Student Union fees are \$77.28 per term.

Health and Dental Insurance

Each Fall term, full-time students are assessed the DSU Health and Dental Plan that provides extended coverage from September through August. The current rate is \$468.64 per year.

Students with separate health insurance may apply to the DSU for reimbursement. For more information please contact the DSU Health Plan Office, Student Union Building (SUB), Room 344, Phone: (902) 494-2850 or visit their website at www.dsu.ca.

- Letter of Permission
- Replacement Tax Receipt
- Transcripts (maximum of five requested at one time)

Facilities Renewal Fee

All students are assessed a facilities renewal fee of \$97.70 per term; \$32.40 per term for part-time students. Full-time, Halifax students are also assessed a recreation renewal fee of \$90 per term (to a maximum of \$180 per year) which supports athletic facilities. Students in the Faculties of Engineering, Architecture and Planning also pay a Sexton Campus Facilities Renewal Fee of \$100 per term which supports the IDEA Building.

2021/2022 rates provided for information only and are subject to increase upon approval of the Board of Governors.

University Bus Pass Fee (UPass)

All eligible, full-time students will receive a Halifax Transit bus pass (UPass) for use from September 1 through to April 30. The UPass comes in the form of a sticker that is applied to the student's DalCard. Upon presentation, the UPass allows access on any regular bus and ferry operated by Halifax Transit. The fee in 2022/2023 is \$167.70 and is included in the incidental fees paid by all students. For students beginning in January, a prorated fee is charged. (For more information about this and other mandatory student fees, please visit dal.ca/moneymatters.) The UPass can also be used on MetroLink and MetroX for an additional charge. A **Summer UPass program** is also available from May 1 to August 31 for all full-time, Spring/Summer term students. The fee for 2023 is \$83.85 and is included in the student fees. There is a \$15 replacement fee for lost UPass stickers. For the latest fees, terms and conditions of use, and opt-out and opt-in options, please visit dal.ca/upass.

Laboratory Deposits

A deposit for the use of laboratory facilities in certain departments is required. The deposit is determined and collected by these departments. Students will be charged for careless or willful damage regardless of whether a deposit is required.

Additional Student Fees

Departments may also charge additional fees on a cost recovery basis not included in the fee schedule. Examples include, but are not limited to, print or copy fees, transportation costs and material fees. Students registered in online courses and distance programs will be assessed additional fees for delivery of these courses.

Statements and Monthly Notices

Students with current activity will be issued electronic statements. Students will be notified through their official Dalhousie email account when a new statement is available. Subsequent monthly payment reminders will be sent to the student's official Dalhousie email address. Refer to www.moneymatters.dal.ca for more information.

Release of Student Financial Information

University policy recognizes the financial account as belonging to the student and therefore, to protect student privacy, account information is considered confidential. For more information on granting permission for financial information to be released to a third party (such as a parent), please contact Student Accounts at (902) 494-3998 or in Truro at (902) 893-6361 www.moneymatters.dal.ca.

Payment

The payment of academic fees will be received at the Student Accounts Office located in the Henry Hicks Academic Administration building, the Enrolment Services Centre on Sexton Campus or the Enrolment Services Centre, Truro.

For the convenience of students, Canadian cheques and money orders, payable to Dalhousie University, are accepted by mail. Fees paid by mail must be received by Student Accounts on or before the term due date to avoid late payment and/or delinquency charges.

The following regulations apply to the payment of academic fees. For further information on regulations regarding withdrawal of registration, please refer to II.K:

a. All

students must pay the applicable deposit in accordance with Section A.

b. Those holding external scholarships or awards paid by, or through, Dalhousie must provide documentation of the scholarship or award before term fees are due.

d. Those paying the account balance by Canada Student Loan must negotiate the loan by

September 17 or January 14 for the resp

ective term. Interest will be charged after these dates and a late registration fee will apply.

e. Those whose fees are paid by Dalhousie University staff tuition fee waiver must present the appropriate waiver form and pay applicable incidental fees by September 17 or January 14, for the respective term.

f. Those who are Canadian citizens (or permanent residents), 65 years of age (or over) and enrolled in an undergraduate degree program will have their tuition fees waived, but must pay the applicable incidental fees.

g. Scholarships or awards paid by, or through, Dalhousie University will be applied to academic and residence fees.

h. When a Canada Student Loan, provincial loan or co-payable bursary is presented at the Student Accounts Office, any unpaid

charges will be deducted.

- i. Fees cannot be deducted from salaries paid to students employed at Dalhousie University.
- j. Any payments made to a student account is first applied to past due balances.

Canada Student Loans

Students planning to pay by Canada Student Loan should apply to their province in April or May so that funds will be available by the time payment is required. The University will deduct fees/charges from the loan at the time of endorsement. Please contact the appropriate provincial office to determine eligibility as well as course load requirements. A late fee of \$50 will apply if the loan is negotiated after September 17, 2021. (January 14, 2022 for students registered for Winter Term and May 16, 2022 for students registering for the summer term).

Provincial Bursaries and University Scholarships

These cheques are distributed by the Student Accounts Office. Any unpaid fees and/or temporary loans along with charges, if applicable, are deducted and payment will be issued following endorsement for any balance remaining. A valid Dalhousie University ID and Social Insurance Number must be presented in order to receive cheques. Please contact the appropriate provincial office to determine eligibility as well as courseload requirements for provincial bursaries.

For more information on student loans, bursaries or scholarships, inquiries should be directed to the Registrar's Office, Henry Hicks Academic Administration Building, Room 130.

Receipts

The amount of academic fees constituting an income tax credit is determined by Canada Revenue Agency.

A special income tax certificate (T2202) will be available annually through Web for Student at dalonline.dal.ca no later than February 28 for the prior calendar year.

Refunds

Students withdrawing from all courses must submit written notification to the Registrar's Office. Non-attendance does not constitute withdrawal, you must ensure courses are dropped. Refunds due to course withdrawals will be effective the date a course(s) is dropped online at www.dalonline.dal.ca or written notification is received at the Registrar's Office. Please contact Student Accounts to have your refund processed.

In the Faculty of Health Professions, students who wish to withdraw from the University must obtain written approval from the appropriate school or college and submit the appropriate forms to the Registrar. Students in these faculties should continue to attend class until their withdrawal has been approved.

Refund Conditions

Refunds will be processed as follows:

- a. Based on the withdrawal date, tuition is refunded based on percentages outlined in the refund schedule at

www.moneymatters.dal.ca

- b. No fee adjustment will be made for a student changing their degree or program as follows:

Regular (Sept - April) and Fall Terms After September 17, 2021

Winter Term After January 14, 2022

Summer Term After May 16, 2022

- c. No refunds will be made for 30 days when payment has been made by personal cheque or 60 days for a cheque drawn on a bank outside of Canada.
- d. Refunds will be made to the appropriate Student Loan service provider if a student has paid with a student loan and no longer meets eligibility criteria.
- e. A student who is dismissed from the University, for any reason, is not entitled to a refund of fees.
- f. Refunds will be prorated on fees paid by Dalhousie scholarships and/or tuition waiver.
- g. A valid Dalhousie University ID must be presented in order for a student to collect a refund cheque.

Refund Schedule

The most current version of the refund schedule is available at www.moneymatters.dal.ca.

Important Information Regarding Refunds

- A portion of fees as outlined in the refund schedule will be assessed if withdrawal from a course occurs after September 17 (Fall Term) and January 14 (Winter Term). Withdrawals before these dates will be completely refunded, but no substitutions will be allowed from a financial perspective after these dates
- Non-attendance does not constitute withdrawal and in cases of a backdated withdrawal, mandatory incidental fees remain payable.
- Students of the University of King's College should refer to college refund policies at www.ukings.ca
- For financial charge inquiries, contact Student Accounts at (902) 494-3998 or

student.Accounts@dal.ca

Delinquent Accounts

Accounts are considered delinquent when the balance of fees has not been paid by September 17 for the Fall Term or January 14 for the Winter Term.

Interest, at a rate set by the University, will be charged weekly on delinquent accounts for the number of days overdue.

Effective July 1, 2020 the rate of interest is 5.45% per annum, compounded monthly.

A student whose account is delinquent for more than 30 days will be denied University privileges including access to transcripts. A student will be reinstated upon payment of the fees outstanding, the arrears interest and a \$50 reinstatement fee. Students will not be permitted to register in future terms until all outstanding amounts are paid in full. Subsequently, if the bank does not honour the payment, the student may be deregistered.

Graduating students whose accounts are delinquent on April 15 will not receive their degree/diploma parchment. For fall graduation the deadline is September 1. Transcripts are withheld until payment is received in full.

Accounts which become seriously delinquent may be placed in collection or further legal action may be taken against the individual. Students will be responsible for charges incurred as a result of such action.

Residence Fees

Residence Fees

Residence rates vary depending on the location and style of accommodations available. For up-to-date residence options and rates, please visit dal.ca/residence. All residence rates include dedicated high-speed WiFi and a TV/entertainment streaming package. Rates **do not** include the non-refundable \$50 Residence Application Fee.

It is important to note that **traditional residences** have a mandatory meal plan; however, there are several options available for students. Traditional residences on the Halifax campuses include: Howe Hall, Risle Hall, Shirreff Hall, Gerard Hall, LeMarchant Place and Mini Res. Traditional residences on the Truro campus include: Chapman House, Fraser House, and Trueman House. **Non-traditional residence** options on the Halifax campuses include: Glengary Apartments and the Grad House. On the Truro campus, a section of Trueman House is reserved for non-traditional accommodations. Meal plans are not required in non-traditional residences but are recommended. For up-to-date meal plan options and rates, please visit dal.ca/food.

Important:

- Once offered admission to an academic program of study at Dalhousie, students are eligible to submit a residence application. **Application can be made within 2-3 business days of the \$200 admission deposit being paid.**
- Students must be registered full-time at Dalhousie to apply to residence.
- No refund will be made to any resident who is dismissed for misconduct. Discretionary power in exceptional circumstances remains with the Director, Residence Operations, in conjunction with the Director, Residence Life or their designates.
- All residence students, new and returning, who have received notification of their room assignment, must pay a \$500 deposit to confirm their acceptance. The deposit is due within the time frame specified by the Residence Office.
- \$250 of the \$500 deposit is refundable if cancellation is received prior to August 1. No refunds are made after August 1.

- The \$500 residence confirmation deposit can be paid by credit card (Mastercard, Visa, Amex) by visiting dal.ca/moneymatters. For more payment options, please visit dal.ca/moneymatters.
- No residence room will be held based on post-dated or “insufficient fund” cheques.
- Deposits or fees cannot be deducted from scholarships, fellowships, or similar awards.
- Residence agreements are for eight-month terms (September-April). Please note, residences close during the December break.

Residence Term

The residence term commences the Saturday prior to Labour Day and ends on the last day of the examination period in April. Students must vacate the residence 24 hours after their last exam and residences are closed over the December break.

If required, an additional fee is payable by all residents who are registered in a faculty where the academic session commences before or continues after the session of the College of Arts and Science. Special arrangements are to be made with the Residence Office for accommodation for periods prior to or following the session as defined above.

Payment of Residence Fees

Payment may be made in full at registration or in two instalments. The first instalment must be paid in full by the posted September deadline. Interest is assessed weekly at a rate as set by the university and will be charged on all accounts outstanding after that date, and on any second instalment outstanding after the posted January deadline. The student will not be permitted to register for another session until all accounts are paid in full. A student whose account is delinquent for more than 30 days will be denied university privileges including access to transcripts. The student will be reinstated upon payment of the fees outstanding, the arrears interest, and a \$50 re-instatement fee. For additional information regarding outstanding or delinquent accounts, please see II. Fees, Section K, or dal.ca/moneymatters.

All residence fees can be paid at the Student Accounts Office, the Student Service Centre (Sexton Campus), or online at dal.ca/moneymatters.

Students should make an appointment as soon as possible with the Assistant Manager of Student Accounts if they are having financial difficulties.

Residence Communications

All residences come with dedicated high-speed WiFi and direct access to dozens of native streaming apps to watch live and OnDemand TV programs.* The cost is included in residence fees. **These services are subject to change.*

Financial Aid

Financial Aid

Government Student Loans

IMPORTANT: Please note that federal and provincial student loan regulations include stipulations for the Borrower in terms of the minimum course load, expressed as a percentage of the normal course load at the University, which the Borrower must carry in order to benefit from the program. This minimum must be maintained throughout the academic year, e.g. a student who wishes to receive either money or interest-free status under the Canada Student Loan Plan for the entire academic year must carry not fewer than 60 per cent of the normal course load (expressed in credit hours) for each term. Please note, to be eligible for provincial loan funding from Newfoundland, you must be registered in 80% of the normal class load. At Dalhousie, the normal credit hour load for student loan purposes is 30. The Borrower must carry not fewer than 18 credit hours, distributed equally between the terms, e.g. nine. If your particular program does not conform to this scheme, you should apply to Student Aid for funding for only that term in which your course load would fulfill this regulation. Federal and provincial rules can differ on this matter.

If you must drop or add courses, exercise care so as not to jeopardize your governmental student loan(s).

Addresses of Provincial Student Aid Authorities

Canadian students are to apply for government assistance to the appropriate agency in that province or territory in which the applicant is a bona fide resident.

Temporary Loans

The University has established a temporary loan program to assist all registered Dalhousie students with certain types of short-term financial difficulty when no other resource is available. Students must provide proof of their ability to repay the loan within the time period. (Loans are not meant for tuition fee payment.) These loans have a short interest-free period, after which interest will be charged. Refer to the Temporary Loan Application for further details. Applications may be picked up in the Registrar's Office, Room 130, Henry Hicks Academic Administration Building, the Sexton Campus Student Service Centre, the Enrolment Services Centre (Agricultural Campus), or online at www.dal.ca/moneymatters

Course Descriptions

JOUR 1002 Foundations of Journalism I

CREDIT HOURS: 3

This course gives students a theoretical and practical introduction to journalism as it's practised today. In the Thinking component, students examine the principles and evolution of journalism and its role in society. The Writing part of the course helps students hone the skills of simple, tight, bright journalistic writing. Students will complete frequent writing assignments, read news with a critical eye and work in small groups with professional journalistic instructors. CALENDAR NOTES: This course satisfies one half of the Writing Requirement when taken in combination with JOUR 1003.

JOUR 1003 Foundations of Journalism II

CREDIT HOURS: 3

This course builds on Foundations of Journalism I and delves deeper into an understanding of the role of journalists, and the political, legal and societal environments in which they operate. In the Thinking component, students will consider the situations journalists find themselves navigating and the broader responsibility they hold as journalists in a democracy. The Writing part of the course builds on students' nonfiction writing practice, emphasizing precision and clarity. Students will complete frequent writing assignments, read news with a critical eye and work in small groups with professional journalist instructors.

CALENDAR NOTES: This course satisfies one half of the Writing Requirement when taken in combination with JOUR 1002.

PREREQUISITES: JOUR 1002.03

JOUR 2006 Fake News: Journalism Verification Techniques

CREDIT HOURS: 3

Reporters and news consumers face a barrage of questionable information every day. This course will explore the sources and range of disinformation from honest mistakes to inaccurate and "fake" news. It will also give students basic tools to query and verify - or debunk - news stories on social media and elsewhere.

FORMATS: Lecture

JOUR 2400 Science and the Media

CREDIT HOURS: 3

From the first Babylonian astronomical records on cuneiform to the public understanding of science on television and the Internet, the various media have long been crucial to the success and spread of science. This course provides a history of science in the media from the ancient and medieval use of geometrical diagrams, astronomical figures and anatomical illustration through early modern printed texts, popular broadsheets and colour botanical plates all the way to the ubiquity of science in literature, cinema, journalism and online. It focusses on the technologies of communication, the use of the media by science and the ways science and scientists are represented in the media. The expanding presence of science in the media is examined against the backdrop of five revolutions: literary and artistic (writing and the visual arts), mechanical (the printing press), electric (telegraph, telephone and cinema), electronic (radio and television) and digital (computing and the Internet). Specific themes considered include the increasing accuracy of scientific illustration, the rise of scientific journals, public scientific demonstrations, science in poetry and prose fiction, science and art, radio and television documentaries, the advertising and marketing of science, scientific apocalypses and techno-utopias, bioethics, environmentalism, Soviet-era technological iconography, science fiction from Jules Verne and H.G. Wells to Jurassic Park and Interstellar, and science in computing, cyberspace and augmented reality.

CROSSLISTED: HSTC 2400.03

FORMATS: Lecture | Seminar

JOUR 2700 Introduction to Reporting

CREDIT HOURS: 3

This course builds on the writing foundation provided in JOUR 1003.03 and gives students a comprehensive introduction to news reporting in a digital environment. Students will learn how to develop and pitch original story ideas, and ground them with research. They learn how to write with minimal factual and grammatical error, and craft a story with focus nuance.

PREREQUISITES: JOUR 1001.06, or JOUR 1003.03

FORMATS: Lecture

JOUR 2704 Indigenous Peoples and Media

CREDIT HOURS: 3

This course introduces students to key aspects of Indigenous cultures, legal frameworks, and the historical relationship between Indigenous nations and the state required for responsible reporting in Canada. From the Indian Act to treaty rights to the legacy of residential schools, students will gain a deeper understanding of Indigenous perspectives, Canadian history, key issues in reporting, and impacts of colonialism. Students will be able to articulate best

practices in reporting on Indigenous communities and apply a critical analysis to current coverage of Indigenous stories.

PREREQUISITES: JOUR 1003.03 or JOUR 1001.06 or permission of the instructor

CROSSLISTED: INDG 2704.03

JOUR 3002 Introduction to Audio (Podcasting)

CREDIT HOURS: 3

This course will look at the emergence of podcasting as an important storytelling and journalistic platform that continues to grow and evolve. Students will conceptualize, produce and make a marketing plan for a podcast, learning about focus, interviewing, recording, editing and performance. The course considers trends in podcasting, and will include guest speakers with deep knowledge of the industry.

JOUR 3339 Ethics & Law for Journalists

CREDIT HOURS: 3

This course will give students the ethical and legal knowledge they need to operate as journalists in the field. Students will develop an understanding of the criminal court process and the journalistic protocol for working with sources. Discussion will focus on topics such as the law regarding defamation, the process for civil proceedings and restrictions imposed by public bans. It will also explore journalistic practices of independence, transparency and fairness.

FORMATS: Lecture

JOUR 3440 Creative Nonfiction

CREDIT HOURS: 3

Narrative nonfiction writing includes literary journalism, memoir and essay. In this introductory course, students will learn about the historic development of this genre as well as read and discuss some of the best examples of historical and contemporary narrative nonfiction. The goal is to make students better informed readers as well as to provide them with the tools to produce this kind of writing themselves.

FORMATS: Lecture

JOUR 3441 Advanced Creative Nonfiction

CREDIT HOURS: 3

This course is about stories — long-form feature writing, essay, memoir and experimental narrative. It's a writing and reading course designed to hone students' storytelling craft and get them thinking about what makes a great nonfiction read.

PREREQUISITES: JOUR 1001.06 or JOUR 1003.03 with a grade of C or better.

RESTRICTIONS: This course is not available to BJH students

FORMATS: Lecture

JOUR 3540 Feature Writing

CREDIT HOURS: 3

This course will introduce students to the more creative writing aspects of journalism — the writing of stories behind the breaking news of the day, or the small human dramas that make up the world around us. Students will study feature writing styles and techniques, and experiment with several feature formats, from color stories and personality profiles to substantial background articles. Students will produce a major, term-end feature story and several smaller assignments.

PREREQUISITES: JOUR 2700.03 or permission of the Instructor.

JOUR 3542 Business Reporting for Journalists

CREDIT HOURS: 3

Budgets, stock markets, statistics, polls, securities, mergers and takeovers. This course will give students a working knowledge of how business functions. It will provide students with the tools to analyze and present complex economic situations in clear language.

PREREQUISITES: JOUR 1001.06 or JOUR 1003.03, or permission of the instructor

JOUR 3550 Copy Editing

CREDIT HOURS: 3

In this course, students will edit real stories selected for their potential as well as their problems. They will work on them for tightness, polish, accuracy and style. The goal is to help students develop the copy editor's "double vision" — the ability to see the story as a whole and line by line as a collection of parts, to see both the forest and the trees. This course is not only for students who want to become copy editors, but also for students who want to become better editors of their own writing.

PREREQUISITES: JOUR 2700.03

JOUR 3560 Great Journalists

CREDIT HOURS: 3

This course provides an introduction to some of the greatest journalists of all time. Students will discover the beautiful work these journalists created, and learn how and why they did it. This course also focuses on improving students' writing. By carefully considering great journalists' work, students learn techniques that make them better writers. Amazing characters students will meet include James Cameron, the only journalist to have a ringside seat at three atomic bomb blasts. Students get to know Ida B. Wells, who founded a newspaper exposing lynchings and racism when most media were ignoring the truth. Students will consider the work of Joan Didion, Martha Gellhorn, Peter Gzowski, Seymour Hersh, and many more. By the end of the course students will have a strong understanding of journalism's honourable legacy. They will know the brilliant qualities of great journalists, how hard they work, and how they changed the world.

JOUR 3576 Reporting in Mi'kma'ki

CREDIT HOURS: 3

Learn how to report responsibly on Indigenous issues - on the ground, in a Mi'kmaq community. From treaty rights to language to entrepreneurship, this immersive course delves into select topics in Mi'kma'ki, the unceded territory of the Mi'kmaq. There is some classroom time at King's, but most teaching and journalism gathering activities are done off campus.

CALENDAR NOTES: Permission of the instructor is required to register.

FORMATS: Experiential Learning

JOUR 3660 Photojournalism

CREDIT HOURS: 3

This course will explore visual perception as applied to photojournalism. Students will be taught to "see" photos and explore ideas visually, especially as applied to the essence of news photography. Students will also examine the beginnings of news photography and modern developments in the business. Students must have their own digital or smartphone camera to take this course.

RESTRICTIONS: BJH students are not eligible to take this course.

EXCLUSIONS: JOUR 2702.03

JOUR 3661 Sports Journalism

CREDIT HOURS: 3

Students will study and discuss excellence in sports writing. They will learn how to craft lively and well-researched narratives about players, teams and the environment they operate in. The course will use real-life examples in an examination of various storytelling formats, from long-form narratives to on-deadline game reports to social media updates. It will also look at ethical issues related to sports reporting and the challenges of covering specific beats.

PREREQUISITES: JOUR 2700.03 or permission of the instructor.

JOUR 3663 Documentary Journalism

CREDIT HOURS: 3

What gives power and impact to long-form visual stories? You will have the opportunity to view and analyze a broad selection of journalism documentaries - historical and recent. You will examine the narrative and visual structures that make them effective and assess the research that underlies them. You will also discuss their impact on you personally - and on audiences in the context of their time.

EXCLUSIONS: JOUR 3662.03

JOUR 3664 Advanced Photojournalism

CREDIT HOURS: 3

This course will expand on the basics of photojournalism and will explore more advanced topics such as spot news, event coverage, sports photography, portraiture, photo essays, and DSLR video production. Throughout the term students will build and create a professional portfolio of their work, which will be reviewed and curated in collaboration with mentors in the photojournalism community. Students are required to have access to a DSLR camera for the duration of this class.

PREREQUISITES: Introduction to Photojournalism JOUR 3660.03 or Introduction to Visual Storytelling JOUR 2702.03, or instructor's permission.

FORMATS: Lecture

JOUR 3670 Opinion Journalism

CREDIT HOURS: 3

Do you aim to influence people with your perceptions, insights and ideas? If so, you need to know the difference between a rant and proving your point. You need to consider the tone and flow of what you write. Writing Opinion teaches these practices and more.

JOUR 3671 Freelance Journalism

CREDIT HOURS: 3

By choice or by circumstance, most journalists will freelance for at least part of their careers. This course examines the role of the freelancer in contemporary journalism and introduces students to the skills and strategies required for a successful freelance practice across all platforms: pitching, time and money management, networking, ethics and personal brand management.

PREREQUISITES: JOUR 1001.06, or JOUR 1003.03

Resources and Services

Academic Advising

Academic advisors are available across campus to provide students with academic advising and support. They coach, support and guide students to set and meet educational and career goals.

For students in the Faculty of Arts & Social Sciences, Faculty of Science and Faculty of Agriculture, Student Success Advisors can help you:

- clarify your education and career goals
- monitor your plan of study
- choose courses that relate to your goals and interests
- address concerns about your studies
- apply strategies for academic success
- identify skill-building opportunities such as co-op or study abroad
- develop an action plan if you are struggling in school
- explore academic options (including academic policies) when faced with a personal/family emergency
- determine where to go for additional support

For students in other faculties, there are faculty-specific advisors available to help.

Access Services

The [Student Accessibility Centre](#) (Halifax Campus) and the [Student Success Centre](#) (Agricultural Campus) serve as Dalhousie's centres of expertise on student access and accommodation. The work of our access centres is governed by Dalhousie's [Student Accommodation Policy](#), to best support the needs of our students. We advise students who require accommodation to ensure full access to their on-campus living and learning communities.

Student Accessibility advisors can help you:

- implement an accommodation plan to reduce or remove barriers to your learning
- provide access to technology supports to enhance your learning
- identify scholarship and bursary options
- connect with on and off-campus resources
- navigate accessibility challenges

If you've had accommodations previously, or have questions about accommodations, early consultation with an advisor is strongly encouraged. An advisor will meet with you to determine how to facilitate your success, and if accommodations are required, we implement those accommodations by liaising with your instructors. We also consult with faculty, staff, parents and prospective students, who have questions regarding access and accommodation.

Alumni Engagement

As a Dalhousie student, you are part of a diverse global family, including the university's 150,000 alumni. Members of the alumni community provide support and resources to students in a variety of ways. Students are invited to events and initiatives planned by

alumni and hosted by the Alumni Engagement team along with Faculties and Schools. You can connect with alumni at social and networking events, educational opportunities, Dal Alumni Days, Open Dialogue events, career support initiatives and more.

If you are curious about what you can do with your Dal degree, our alumni are always willing to provide you with career advice and insight about what where your degree can take you.

Once you become a Dal grad, you will join the growing alumni community and have access to even more benefits, services, discounts and volunteer opportunities that will serve you at all stages of your life.

Connect with Dal's alumni community today! Visit alumni.dal.ca to learn more and follow us on [Twitter](#), [Facebook](#), [LinkedIn](#) and [Instagram](#) to find ways to get involved with the alumni community throughout your time at Dal and beyond.

Athletics and Recreation

Dalhousie offers a wide array of programs, facilities and services to suit the diverse sport, recreation and wellness needs of our students. Located on the Studley Campus, [Dalplex](#) is the university's largest fitness centre. Dalplex membership is included in full-time student fees, so students can simply bring their DalCard and swipe it in the turnstile for access to:

- the Cardio Plus Centre
- two climbing facilities
- two weight rooms
- more than 35 weekly fitness classes
- an eight-lane, 50m indoor pool
- a 1/6-mile indoor track
- drop-in times for recreational basketball and volleyball
- racquet courts
- two outdoor tennis courts
- the Fun Zone play area for children.

The [F. H. Sexton Memorial Gymnasium](#) includes a fitness centre, a gym with hardwood courts, group fitness classes, two squash courts, and change rooms with lockers for easy access for students on the Sexton Campus.

Athletics and Recreational Services in Halifax also offers many climbing, fitness, and recreation programs and classes each term, along with a broad range of intramural leagues and tournaments. [Intramural sports](#) are fun, free and an excellent way to meet other students. Sports offered include soccer, flag football and hockey in the fall, to curling, basketball and inner tube water polo in the winter term - and that's just the tip of the iceberg! In Halifax students have the opportunity to take part in more than 20 different [recreational and competitive sports clubs](#), which are organized and run by students. The [Tigers varsity program](#) on the Halifax campuses consists of 14 teams (men's and women's basketball, cross country, hockey, soccer, swimming, track and field, and volleyball) that compete regionally in the Atlantic University Sport (AUS) conference and nationally in U Sports.

The [Langille Athletic Centre](#) is the sport and recreation facility for students on the Agricultural Campus. Intramurals and student activities on the Agricultural Campus include co-ed soccer and softball, basketball, volleyball, badminton, winter ski trips to Wentworth Skil Hill and recreation time dedicated for students and members on Sunday evenings. The DAL AC [Rams varsity program](#) includes opportunities for participation on 9 competitive teams in basketball, women's rugby, men's and women's soccer, women's volleyball, badminton, cross country, equestrian and woodsmen. The Rams belong to the Atlantic Collegiate Athletic Association (national association is the Canadian Collegiate Athletic Association), the Atlantic Intercollegiate Equestrian League and the Canadian Intercollegiate Lumberjacking Association for their various sports.

For more information about sport, fitness and recreation opportunities at Dalhousie visit www.dal.ca/athletics or www.dal.ca/rams.

Black Student Support

The [Black Student Advising Centre](#) strives to foster a sense of community and inclusion among students who are of black/African descent. Staff provide support to all Dalhousie's students of black/African descent, helping you transition in and through your degree program. We welcome you to make use of our resources to enhance your university experience.

The Black Student Advising Centre offers:

- one-on-one advising and peer support
- tutoring, study skills and writing skill programming
- quiet study spaces and a computer lab

- cultural activities, networking and orientation events
- information on scholarships and bursaries

For more information, drop by the Centre on the second floor of 1321 Edward Street, contact us at (902) 494-6648 or bsac@dal.ca or visit us online at www.dal.ca/bsac.

Career Supports

At Dalhousie there are a number of career supports available to you through the [Bissett Student Success Centre](#) in Halifax and the [Student Success Centre](#) in Truro.

Across all campuses, there is a dedicated team of academic, career and peer advisors here to assist you in exploring your career options, finding jobs and developing your career. Dalhousie offer a wide range of programs and services to help you find opportunities to get involved, build your skills, and expand your network such as:

- large and small-scale job and career events to connect you to a wide range of prospective employers and job opportunities;
- job search supports including cover letters and resumes reviews, interview preparation and tips on how to present yourself effectively as a candidate for employment;
- on-campus work experience programs designed to help you develop skills, explore your career interest and earn money in a supportive work environment;
- access to year-round workshops, programs and on-line resources to help you with your career questions and future plans.

Career Counselling

Career Counselling is a confidential and collaborative process where you work with a career counsellor who assists you in your educational and career decision-making. Dalhousie's Career Counsellors can be accessed on the Halifax Campuses through the Bissett Student Success Centre, located on the fourth floor of the Student Union Building. Students can make an appointment by calling (902) 494-3077.

Centre for Learning and Teaching

The Centre for Learning and Teaching (CLT) works in partnership with the Provost's office, academic units, faculty members, and graduate students to enhance the practice and scholarship of learning and teaching at Dalhousie University. CLT takes an evidence-based approach to advocating for effective and inclusive learning and teaching practices, curriculum planning, services to support the use of technology in education, and institutional policies and infrastructure to enhance the Dalhousie learning environment. The CLT is dedicated to aligning its activities with the strategic directions of the university, including the Belong report and its recommendations. For further information, teaching resources, or a confidential consultation, you are invited to contact the Centre for Learning and Teaching, located at Suite G90, Killam Library, 6225 University Avenue, (902) 494-1622, CLT@dal.ca, or you can visit the CLT website at: dal.ca/clt

Programming: Workshop series, presentations, discussion groups, and demonstrations are scheduled to address the full spectrum of educational issues, including curriculum design, inclusive practices, classroom design, evaluation of student learning, teaching and learning strategies, e-learning and the effective integration of classroom technology.

Confidential Consultations: Educational developers at CLT provide confidential consultation services to teaching assistants, faculty, and administrators on a wide range of learning and teaching issues, including cultural competence and other aspects of inclusivity.

Annual Events: On an annual basis, CLT coordinates New Academic Staff Orientation, TA Day, Teaching Dossier Workshops, and the Dalhousie Conference on University Teaching and Learning that brings together presenters from across the University and the country to explore issues related to specific themes.

eLearning: The eLearning team with CLT offers eLearning advice and support to the Dalhousie community. With two experienced instructional designers, the eLearning team is available to offer guidance with both online and blended/hybrid course initiatives, including ensuring that these course initiatives are accessible.

Curriculum Renewal: CLT provides support for curriculum design and renewal at the level of a course, program, department and faculty. Facilitated department and faculty-specific workshops or retreats assist the formation of cohesive programs by considering how courses and content develop throughout the duration of a program. Departments or programs in the early stages of an MPHEC proposal, internal program review, or accreditation process can take advantage of CLT's resources to design learning outcomes and map the curriculum.

The Faculty Certificate in Teaching and Learning: This professional development program offers faculty and staff the opportunity to participate in courses, workshops and peer exchanges. The Certificate emphasizes evidence-based practices and provides hands-on, practical opportunities to apply these in their own teaching context. The program is offered in partnership with Executive Education in the Faculty of Management.

Certificate in University Teaching and Learning and the Teaching Assistant Enhancement Program: These programs are offered to graduate students by the CLT in partnership with the Faculty of Graduate Studies. The purpose of the program is to assist academic departments in preparing students for their teaching responsibilities and to enhance their professional development opportunities for both academic and non-academic careers.

Classroom Planning: CLT offers expertise and support to the university in the area of classroom design including support for faculty considering the use of learning spaces in the context of course design and pedagogical approaches.

Teaching Awards: CLT administers several university-wide teaching awards, including the Dalhousie Alumni Association Award of Excellence for Teaching, Early Career Faculty Award of Excellence for Teaching, Contract and Limited-term Faculty Award for Excellence in Teaching, Sessional and Part-time Instructor Award of Excellence for Teaching, President's Graduate Student Teaching Award, Educational Leadership Award for Collaborative Teaching, Academic Innovation Award, Award for Excellence in Education for Diversity, and the Award for Excellence in Graduate Supervision.

Student Ratings of Instruction (SRI): Higher education institutions in Canada and abroad encourage faculty to use teaching evaluations to rate their teaching for effectiveness. The CLT is responsible for the administration of the university-wide Student Ratings of Instruction. The ratings are administered online towards the end of each term. Quantitative and qualitative data are collected and the opportunity for departments and individual instructors to add questions to the form is available. Students may access the results of the universal questions, Part A of the form, when instructors consent to release the results of their own course(s).

Grants: CLT offers a number of Teaching and Learning Grants each year for instructors to develop and evaluate new teaching methods, curriculum innovation, elearning and teaching with technology opportunities. The Centre also organizes the Change One Thing Challenge award, inviting instructors to submit their student engagement ideas that they have implemented into their teaching.

Publications: The CLT newsletter, *Focus on University Teaching and Learning*, is published three times a year and is available online on the CLT website (dal.ca/clt). CLT's lending library provides resources on topics related to teaching. CLT's LibGuide of links to electronic sources can be found at: dal.ca.libguides.com/clt.

Co-Curricular Experiential Learning

Part-time work, volunteering, and leadership programs are great ways to get hands-on experience throughout your degree. You can develop certain skills and maybe discover other career options that interest you. Look for workshops on campus to develop your leadership skills.

Leadership Programs

With [DALConnects](#) you'll do great work for meaningful causes, develop new skills, and build up the experience you'll need for your future career. It's a free leadership program that connects you with the off-campus community and develops your leadership potential. By pairing interactive workshops, conferences, and teambuilding retreats with community volunteer opportunities, you develop practical skills that help you become a stronger leader in the classroom, the community, your future career, and in everyday life. In Truro, the [Student Advancement in Leadership program](#) offers the opportunity for students to develop skills in areas such as career exploration, personal growth, communication and leadership development. Students participate in volunteer activities, attend professional development seminars, participate in international and cultural events and learn the process of program development.

Dal Bookstore

Owned and operated by Dalhousie University, the Dal Bookstore proudly serves the academic and school-spirit needs of students, staff, faculty and alumni.

The Dal Bookstore offers textbooks in new, used, and digital formats. After you're done with them, you can sell your used textbook back at up to 50% of the original price *if the same textbook is being used again the following semester*. Book buybacks are held at the end of every fall and winter semester. Learn more about the book buyback program [on our website](#).

In addition to course materials, the Dal Bookstore also carries a wide selection of **stationery, clothing, gift ware, degree frames and other branded items**. Our clothing can be customized for societies, sports teams and any other groups for a uniquely Dalhousie look. Consider the Dal Bookstore as your go-to hub for all your Tiger and Ram gear!

For students moving to Halifax or Truro, the Dal Bookstore carries a wide assortment of **items for your new home** including bedding, towels, décor items, and even a selection of appliances. Anything you purchase online can be delivered or picked up in store. And if you live in residence, most anything you order online over the summer can be picked, packed and delivered to your residence for when you move in. Learn more about our [Books in Res program](#).

Pay with your DalCard and save. When you pay with your DalCard, **5% of the purchase** will be put back on your DalCard account that can be applied the following week toward another purchase.

DalCard

The DalCard is your official university identification card and must be presented at officially scheduled examinations, to receive bursary or scholarship cheques in person, and to access in-person library services. However, did you know your DalCard also has many other uses?

The DalCard serves as an **access pass** to the Dalplex and other athletic facilities; as your **dining hall pass** if you have a meal plan, and as a **door key** to most residences if you live on campus.

Your DalCard can be also used as a **debit card** at many locations on campus including the Dal Bookstore and participating food vendors. It can also be used for printing and photocopying, for laundry in select residences (Halifax only), and for food purchases at several off-campus locations in Halifax.

The main DalCard Office is located at 6230 Coburg Road, Halifax. Students on the **Sexton campus** may obtain their DalCard at the Enrolment Services Centre, B Building, 1360 Barrington Street. Students on the **Agricultural Campus** may obtain their DalCards from the Enrolment Services Centre, Cox Institute, Room 256, 21 Cox Road.

Dalhousie Arts Centre

For more than 50 years, the Dalhousie Arts Centre has been integral to the arts community on our campus and our city. Built in 1971, the Arts Centre is the only complex of its kind in Nova Scotia and is home to a variety of arts and performance venues along with various meeting and learning spaces.

Of the numerous performance spaces in the Dalhousie Arts Centre, the **Rebecca Cohn Auditorium** is the largest and most familiar. The 1,023-seat concert hall is the home of Symphony Nova Scotia and the venue-of-choice for a variety of local, national and international artists including dance companies like Ballet Jørgen; singers like Diana Krall, Renée Fleming, Leonard Cohen, and Jeremy Dutcher; bands; comedians; authors, and more.

Other performance spaces include the Sir James Dunn Theatre (198 seats); the David Mack. Murray Studio (80 seats), the MacAloney Room (90 seats), and the Arts Centre's newest addition, the 296-seat Joseph Strug Concert Hall. Complimenting these diverse performance venues are the Sculpture Court and the [Dalhousie Art Gallery](#).

Making art accessible to our campus community and the public at large, the **Dalhousie Arts Gallery** mounts national and international touring exhibitions and initiates many ambitious and exciting programs. Entrance is free of charge.

The Arts Centre is also the proud home of the **Fountain School of Performing Arts (FSPA)**, the only multi-disciplinary performing arts school east of Montreal offering degrees in theatre, music, and cinema & media studies, along with a 2-year diploma in costume studies. FSPA's full production schedule of plays, concerts, recitals and more can be found at dal.ca/performingarts.

Dalhousie Student Union (DSU)

Every Dalhousie student is automatically a member of the Dalhousie Student Union (DSU). The student union is recognized by an Act of the Nova Scotia legislature as the single voice of Dalhousie students. All student activities on campus are organized through the Dalhousie Student Union, and the DSU is the focus of all student representation. The business of the DSU is conducted by a Council made up of approximately 40 members.

One of the most important resources of the DSU is the Student Union Building (SUB) located at 6136 University Avenue between Seymour and LeMarchant Streets. The SUB was opened in 1968 as a centre for student activity on campus. The Student Union Building provides a wide range of services for students including the Student Advocacy Service, The Grawood, Campus Copy, food services, the Society Hub, and much more.

Every student has the opportunity to take advantage of the Union's financial, physical, and organizational resources whether by coming to events, applying for grants, or getting involved in a committee or campaign. The DSU also oversees almost 400 student societies. All students are invited to satisfy their curiosity by visiting the DSU offices located on the second floor of the SUB and is open from 8:30 am to 4:30 pm Monday through Friday.

Telephone number (902) 494-1106, email info@dsu.ca. Check out the website at www.dsu.ca.

Dalhousie Agriculture Students' Association (DASA)

The Dalhousie Agriculture Students' Association (DASA) is the official organization of students on the Agricultural Campus. In addition to representing the students to the administration, DASA spends much of their time organizing events, clubs, groups and committees to improve student life on the Agricultural Campus. They are also responsible for publications such as the Golden Ram (student newspaper), yearbook and student agendas. The Students' Association can be found in Room 32 of the Cox Institute.

All members of the Dalhousie Agriculture Students' Association are automatically also members of the Dalhousie Student Union. Visit www.dsu.ca to learn more about the DSU.

DSU Health and Dental Plan

All full-time students who begin their studies in the fall term are automatically enrolled for coverage under the Dalhousie Student Union (DSU) Health and Dental Plan. The DSU Health and Dental Plan provides coverage for prescription medication, dental, vision, extended health care, accident and travel related expenses.

Please note that part time and distance students as well as students who are on co-op, or exchange in the fall term are not automatically enrolled in this plan and must opt in if they wish to have coverage.

The fee for the DSU Health and Dental Plan is billed to each student's account and is compulsory unless the student has comparable private coverage. If students have comparable coverage, they may be eligible to opt out of (cancel) the DSU Health and Dental Plan during the appropriate opt out period.

Students are also eligible to add immediate family members (spouse and dependent children) to the plan during opt in period in the term in which the student begins their studies only.

DSU International Health Plan

All international students studying in Canada **must have** health insurance coverage (“coverage” refers to all of the things that your health plan includes/covers).

All international students are automatically enrolled for coverage under the Dalhousie Student Union (DSU) International Health Plan. This plan provides emergency medical coverage for services such as visiting the doctor, lab tests, x-rays, etc.

Please note that co-op or exchange students in the fall term are not billed or enrolled for the International Health Plan and must opt in should they wish to have coverage.

The fee for the DSU International Health Plan is billed to each student’s account and is compulsory unless the student has comparable private health insurance or MSI. If students have comparable coverage or MSI, they may be eligible to opt out of (cancel) the DSU International Health Plan during the appropriate opt out period. Please contact the DSU Health Plan Office for the opt out period dates.

Students are also eligible to add immediate family members (spouse and dependent children) to the plan when they arrive in Nova Scotia by completing an application and paying an additional fee.

Please note international students may be covered on the DSU Health and Dental Plan as well as the DSU International Health Plan.

Dual citizens who have applied to Dalhousie as a Canadian are NOT enrolled for coverage under the DSU International Health Plan. If you are a dual citizen, please contact the DSU Health Plan Office as soon as possible to discuss your coverage options.

Email, Computer and Tech Support

Information Technology Services (ITS) empowers the success of students, faculty and staff through an overall focus on service, advising and consulting. ITS supports university instructional, research and administrative requirements. The department is responsible for all centrally managed computing, networking and telecommunications facilities including university email, My.Dal, the central information system (Banner), wired and wireless network connections and student computer labs.

Need help with a technical problem? Visit one of three Help Desks located on the Halifax campus, or our Help Desk at the Dalhousie Agricultural Campus in Truro.

With a range of new and emerging technologies, ITS staff will help you explore options to make the most of your experience at Dalhousie. See dal.ca/its for more information.

First Year Experience

There's a lot to know about your first year at university; from choosing the right courses to juggling student life. To help you prepare for your time at Dalhousie, take part in [On Track](#), a suite of programs available to you in your first year, focused on your transition to Dalhousie and discovering your strengths and passions.

If you have questions, the [Bissett Student Success Centre](#) in Halifax and the [Student Success Centre](#) in Truro are a great places to start! Their knowledgeable staff can help you navigate the transition through your first year of university life and answer questions such as:

- What can I expect in university?
- How can I become involved in activities on campus?
- I'm feeling overwhelmed with all my work - what should I do?
- How do I get the most out of my university experience?
- How does my degree/program relate to future careers?

In addition to one-on-one advising, the Centres offer peer support, workshops and programming throughout the year.

Food Services

Working with our contracted food services providers operating under the name Dal Food Services, Dalhousie operates **three dining halls** on the Studley Campus, one dining hall on the Sexton Campus, and one dining hall on the Agricultural Campus.

A wide selection of **meal plans** are available for students living in residence. Meal plans may also be purchased by students living off-campus.

Our chefs, with the help of an in-house dietitian, prepare entrées and soups from scratch to promote a healthy lifestyle. With vegan, vegetarian, halal and no-gluten options available at each meal -- along with an increasing amount of fresh, locally sourced food -- every student will have a variety of tasty and nutritious options available, regardless of their individual dietary needs.

For added variety and convenience, Dal Food Services also operates a number of on-campus **food retail vendors** across the Halifax campus. These include Starbucks, Subway, the Second Cup, Tim Hortons and several others.

Housing/Residence

The university is pleased to **guarantee a place in residence** for all **new students coming direct from high school** if they complete the residence application process by **May 15**.

It's important that students planning to attend Dalhousie think well in advance about their accommodation needs. Spaces in residence are limited and the off-campus rental market is very tight, especially in Halifax.

It is the individual student's responsibility to make a **separate online application** for residence. If you would like to apply for residence, please be aware of these **important points**:

- Upon acceptance to a program of study, you will be asked to pay an admission deposit. **You must pay your admissions deposit BEFORE applying to residence.**
- Once you've paid your admission deposit, please allow 2-3 business days for your admissions deposit to be processed before applying for residence.
- Pay your admission deposit promptly as the dates these are completed will determine when your residence application is considered.

Your residence application is not considered to be complete until:

1. you have paid the \$50 non-refundable residence application fee. Please note that you will not be able to submit an application without paying the application fee.
2. you have been sent an email confirming that your residence application has been received. For this reason, it is important to **check your Dal email regularly**. Residence offers begin being sent out mid-late May and will continue throughout the summer.

Students with disabilities or requiring **special accommodations** are encouraged to contact the Residence Office at 902-494-1054, or email residence@dal.ca for information and assistance. Students requiring additional supports are also encouraged to contact the [Student Accessibility Centre](#) prior to moving into residence.

The **traditional dormitory-style residences** available at Dal are mainly for undergraduate students. All students living in traditional residences are required to purchase a meal plan from the options available.

The information below gives a description of 1. traditional residences, 2. non-traditional residences, which includes apartment style housing, 3. the services offered by the Off-Campus Housing Office, and 4. summer residence. For information on residence fees, see the Fees section of the Calendar.

Living Off-Campus

Dalhousie's [Off-Campus Housing website](#) provides a wide variety of housing resources available for students on both the Halifax and Truro campuses, including access to a rental listing service provided by [Places4Students](#). It provides a large, real-time database of student housing vacancies in Halifax and Truro.

Please note, due to the **low vacancy rate** in Halifax, it is advised that students enrolled in programs on the Halifax campus start looking for off-campus housing well ahead of the academic year. For the latest vacancy reports, please see the [Canada Mortgage & Housing Corporation website](#).

Human Rights & Equity Services

Human Rights & Equity Services' (HRES) mission is to be a focal point, a resource and a leader in the development of a respectful, equitable, diverse and inclusive campus community. Our strategic framework outlines areas of focus along with guiding principles, strategic goals and priority initiatives, with four areas of focus: leading institutional change, building connections and capacity, managing cases and ensuring operational effectiveness.

HRES is responsible for administering the following University policies: the Employment Equity Policy; the Statement on Prohibited Discrimination; the Personal Harassment Policy; and the Sexualized Violence Policy. We liaise with the Office of the Vice-Provost, Student Affairs, regarding the Code of Student Conduct, and the Residence Code of Conduct; and with the Student Accessibility Centre, as needed, in relation to the Student Accommodation Policy; and Human Resources regarding the Accommodation Policy for Employees. Security Services is a key partner in supporting campus safety.

Other initiatives in Human Rights & Equity Services include education and training on topics such as anti-black racism, micro-aggressions, human rights, bystander intervention strategy, harassment awareness and prevention, prevention of sexualized violence, conflict resolution, and more. Workshops can be request online via our website. HRES's education team also coordinates a multitude of campus events and campaigns, including but not limited to, Mi'kmaq History Month, Pride Week, 16 Days of Activism Against Gender Based Violence, Speak Truth to Power, etc.

Indigenous Student Support

Dalhousie's Indigenous Student Centres help create a sense of cultural belonging to support your success while at Dalhousie. Our Indigenous Student Advisors provide support and advocacy for all of Dalhousie's Indigenous students. We welcome you to make use of our cultural, educational and career resources to enhance your university experience.

The [Indigenous Student Centre](#) provides:

- one-on-one advising and advocacy
- academic support through tutoring, study skills and writing skill development
- quiet study space and a computer lab

- access to cultural activities
- information on scholarships and bursaries
- a space to smudge

On the **Halifax campus**, visit our Centre (1321 Edward Street) to connect with your peers, or speak with your advisor. You can also visit the [Indigenous Student Centre](#) website or contact us by phone at (902) 494-8863. Visit dal.ca/indigenous for more information.

On the **Truro campus**, visit Keah Gloade, Manager, Indigenous Students in the Dairy Building to take advantage of academic advising, learn about services on campus and find out how to connect with your peers. For more information, contact Keah at (902) 956-9270 or visit the [Dal Agricultural Campus Indigenous Student Support](#) website.

International Exchange and Study Support

Dalhousie University is committed to providing international mobility opportunities for all students. International exchange, study abroad programs, field courses and other international learning experiences are offered and supported through providing access to several funding programs, offering pre-departure information, and providing ongoing student and staff support. An advisor and peer supporters are available to meet on topics related to international learning.

International Student Support

Dalhousie University is committed to welcoming, supporting and serving the needs of new and continuing international and exchange students. Advisors are available to meet with you on a variety of topics including immigration, finances, exchange opportunities and personal issues. Referrals are made to other resources and services on campus when necessary.

Orientation activities are organized to assist international and exchange students in adjusting to their new culture and in achieving their educational and personal goals. A variety of social, cultural and information programs are held throughout the year. During the fall, winter and spring/summer terms, student peer supporters are available to meet with international and exchange students.

LGBTQ2SIA+ Collaborative

The education advisor in Human Rights and Equity Services works with a number of campus groups who offer LGBTQ2SIA+ support, resources, and training, including: Dal Allies, Dalhousie Student Union, DalOUT, OUTLaw, South House Sexual and Gender Resource Centre, and more.

Contact these groups directly, visit the website at dal.ca/hres or make an appointment with the education advisor by emailing hres@dal.ca.

Libraries

The Dalhousie University Libraries provide access to scholarly resources and information services to support learning, teaching, and research. The Dal Libraries welcome all Dalhousie students, faculty, staff, and members of the community.

The Dalhousie Libraries include the Killam Memorial Library – Humanities, Social Sciences, Management, Computer Science, and Science; the Sir James Dunn Law Library – Law; the W. K. Kellogg Health Sciences Library – Medicine, Dentistry, and Health; the MacRae Library – Agriculture; and the Sexton Design & Technology Library – Architecture & Planning, and Engineering. The University Archives, Copyright Office, and the GIS & Data Centre are also part of the Dal Libraries and are located in the Killam Memorial Library. We have a satellite hub of the National Centre for Truth & Reconciliation located in the MacRae Library.

Additionally, the libraries have two standalone learning commons: the Wallace McCain Learning Commons and the Kellogg Library Learning Commons, located in the Collaborative Health Education Building. These learning commons provide study spaces for both silent study and vibrant collaborative engagement, access to computers, information resources, and research assistance. All of the Libraries' spaces have public access computers and WiFi. Most of the Libraries' spaces have bookable study rooms for groups as well as individual carrels for private study. Staff in all five libraries provide reference and research services.

The website, dal.ca/libraries, is our virtual branch, providing access to collections, databases, subject guides, and other services. We have thousands of eBooks, eJournals, and streaming video titles. LiveHelp, assistance for basic library and reference questions is available through a live chat function on our website.

The Libraries manage DalSpace, an institutional repository where many Dalhousie researchers' publications can be found. The Libraries provide assistance with research data management planning and implementation, and manage an installation of DataVerse for sharing research data. The Libraries also manage UNIWeb, an academic research network. The Dal Libraries use Open Journal Systems (OJS) software and provide digital publishing services to the university community.

The Dalhousie Libraries' Copyright Office provides guidance to students, faculty, and staff on copyright issues. The Records Management Office provides the university with tools and advice on how to manage administrative records.

The Dalhousie Libraries' Academic Technology Services (ATS) unit supports Dalhousie's learning management system, Brightspace by providing technical assistance to faculty. The Classroom Technologies team maintains and supports technology in the classrooms.

There are IT Help Desks in the Killam and Sexton Libraries and the Wallace McCain Learning Commons to provide computer and software support. 3D printing is available at the Killam, MacRae, and Sexton Libraries. Assistance for Brightspace use is also provided through the IT Help Desks and via support@dal.ca.

The Dalhousie Libraries is a member of Novanet, a network of university and college libraries in Nova Scotia and New Brunswick, sharing an online catalogue of the holdings of the member libraries. Users can borrow from any Novanet library upon presentation of their DalCard.

Access to materials outside of the Dalhousie Libraries is available through the Document Delivery service, available online and at Dal Libraries service desks. We are also a member of the Nova Scotian library initiative Borrow Anywhere, Return Anywhere. Anyone with a card from a library in Nova Scotia can register (for free) to borrow at the Dalhousie Libraries, and library materials borrowed from any library in Nova Scotia can be returned at any one of the Dalhousie Libraries.

Multifaith

Dalhousie Multifaith Services is a non-threatening space where Dalhousie and King's students, staff and faculty can address the basic questions of meaning and purpose in their lives — no matter what their faith, philosophy or doubt may be.

What we do:

- offer confidential guidance on personal and spiritual issues
- lead groups in discussion and prayer
- facilitate interfaith, ecumenical, and multifaith dialogue on the campus
- conduct services of worship and memorial services
- offer prayers at public services
- provide religious rites, marriage preparation, and perform marriages
- participate in Orientation and other events at the University
- plan workshops, lectures and social activities
- help locate worship communities for different faith traditions

For more information about the services and supports we offer, or to speak with a chaplain, drop by Multifaith Services on the fourth floor of the Student Union Building at 6136 University Avenue.

Ombudsperson

The ombudsperson is a mediator who ensures everyone at Dalhousie is treated fairly and respectfully. They provide accessible, independent, impartial, and confidential support to help you get a fair and equitable resolution of any university-related issue (academic or non-academic).

Some examples of when you could reach out to the ombudsperson are:

- You want to discuss a sensitive issue in confidence, including:
 - Student and supervisor/instructor/professor relationships
 - Abuse of power, bullying, or unfair treatment
 - Fear of coming forward or of acting to stop unacceptable behaviour
- You are unsure about which rules, policies or procedures apply to your situation
- You feel that a particular rule or policy has been applied unfairly
- You feel that your learning has been affected by the conduct and behaviour of another person
- You require someone to help facilitate communication between you and a university administrator

Find out more at www.dal.ca/ombudsperson or if you have questions, please email: ombuds@dal.ca

Personal Counselling

As a student you'll find that most of the time you can deal with the everyday issues that pop up while attending university. But life can sometimes challenge you in unexpected ways.

On the Halifax Campuses, supports and services offered through the [Student Health & Wellness Centre](#) help students address problems and learn new skills in a confidential, supportive environment. Counselling is provided by professionally trained counsellors and psychologists and is available for individuals and on a group basis. Students can access counselling services through a same-day counselling appointment available on a first-come, first-served basis every hour the Student Health & Wellness Centre is open.

The Dalhousie Student Health & Wellness Centre team includes psychologists who may provide screening assessments, learning strategies, and advocacy services to students with learning disabilities (LD), attention-deficit hyperactivity disorder (ADHD), and/or Autism Spectrum Disorder (ASD) depending on information obtained from an initial intake interview (with a psychologist).

[Career Counselling](#) is a confidential and collaborative process where you work with a career counsellor who assists you in your educational and career decision-making. Dalhousie's Career Counsellors can be accessed on the Halifax Campuses through the Bissett Student Success Centre, located on the fourth floor of the Student Union Building. Students can make an appointment by calling (902) 494-3077.

On the Agricultural Campus, students can meet with nurses at [Health Services](#) in the Dairy Building who work with students to take care of their physical and mental health and can also refer students to community psychologists. Through the campus physician, students may also receive a referral to a psychiatrist.

Students can also receive online support for feelings of depression, anxiety or stress through the use of the [TAO](#) (Therapy Assistance Online) app, an online self-help program. It includes modules that you work through at your own pace, either independently or with a TAO coach. Students can also access telephone counselling 24/7/365 with the Good2Talk program (1-833-292-3698).

Registrar's Office

The Registrar's Office is responsible for high school liaison, admissions, awards and financial aid, registration, maintenance of student records, scheduling and coordinating formal examinations, and convocation. Of greater significance to students, however, is the role played by members of the staff who provide information, advice, and assistance. They offer advice on admissions, academic regulations and appeals, financial aid and budgeting and the selection of programs. In addition, they are prepared to help students who

are not quite sure what sort of assistance they are looking for, referring them as appropriate to departments for advice about specific major and honours programs or to Student Affairs or to specific service areas such as Counselling Services.

Students can access the services of the Registrar's Office at three locations.

Safety

Dal Security operates in a uniform capacity 24/7, 365 days of the year as the on-campus emergency first responders across all four Dal campuses (including three in Halifax and one in Truro). We pride ourselves in offering approachable and accessible services to all members of the Dal community. We have a robust social media presence where you can find updates on events, safety tips, and information on campus closures.

Follow us at @DalSecurity on Twitter and dal_security on Instagram. Through collaboration with our on-campus partners, services are quickly and conveniently accessible by downloading our free DalSAFE app. Come visit us in person at one of our three offices; our main office is located in the parkade of the Marion McCain Arts and Social Sciences building on the Studley campus in Halifax, a secondary office is located in the Dairy building on the Truro campus, and a third satellite office is located at the Sexton campus in Halifax.

Dalhousie Security can also be reached at (902) 494-6400 (Halifax Campuses) and (902) 893-4190 (Truro Campus) in any emergency.

South House

A DSU service and Halifax's only full-time gender justice centre. A volunteer-driven, student-funded, gender-inclusive safe space for all members of the Dalhousie community. South House is a trans- and queer-positive, wheelchair-accessible space that offers a resource centre, library, and free meeting space for woman-positive and anti-oppression organizing and gathering. Visit us online at www.southhousehalifax.ca or drop by the Centre on the basement floor of 1443 Seymour Street.

Student Advocacy

The Dalhousie Student Advocacy Service helps ensure that students receive fair and reasonable decisions on issues dealing with academic appeal and discipline matters. Our volunteer advocates advise students about their case, help them draft and edit any written submissions, prepare them for hearings and formal appeals, and provide support through the process and articulates matters of importance during the oral hearing. This year-round service is confidential and operated entirely by students. Contact us at the Student Union Building (Room 310), by phone at (902) 494-2205 or visit us online at www.dsu.ca.

Student Affairs

The Vice-Provost, Student Affairs (VPSA) is Dalhousie University's chief officer of student affairs. The Division of Student Affairs is responsible for strategy, policy development, program development and implementation, and management of all matters relating to the provision of a transformative student experience.

The Division includes an integrated team of specialists who works collaboratively to support the institution's academic mission and the holistic success of a diversity of students, through their journey from prospective student, through applicant and enrolled students, to learner and scholar, and, ultimately, graduate and engaged citizen.

The units within the Division support four pillars: Student Registrarial and Enrolment Support; Student Health & Wellness; Student Learning and Academic Support; and Student Life and Leadership Development.

Our units include:

- Agricultural Campus Student Success Centre;
- Bissett Student Success Centre: Academic Advising and Career Services;
- Black Student Advising Centre;
- Co-Curricular Experiential Learning;
- Indigenous Student Centre;
- International Centre;
- Multifaith Services;
- Registrar's Office;
- Residence and Student Life;
- Student Accessibility Centre;
- Student Affairs Communications and Marketing;
- Student Conduct Office;
- Student Health and Wellness;
- Studying for Success;and
- Writing Centre

Student Clubs and Organizations

With so many clubs and organizations on campus, not only will you find plenty of people who share **common interests**, but you'll have an opportunity to **try something completely new**. The mobile app offered through the [Dalhousie Student Union](#) offers a searchable listing of hundreds of student clubs and societies. Browse the listings and find societies that suit your interests.

Also, be sure to watch for the **Society Fair in September**. The fair is a chance for all societies to showcase their activities and objectives to other Dal students. Drop in, visit society booths and discover clubs, societies and organizations that may be of interest to you. Watch for details on the DSU website. And, if you don't find a society of interest, **start your own!**

Student Conduct

Everyone at Dalhousie is expected to treat others with dignity and respect. The Code of Student Conduct allows Dalhousie to take disciplinary action if students don't follow this community expectation. Dalhousie recognizes its students as independent adults and the Code exists to maintain a minimum standard of behaviour that's deemed acceptable by our community. The Code is very broad and encompasses many types of behaviour.

When appropriate, violations of the code can be resolved in a reasonable and informal manner. If an informal resolution can't be reached, or would be inappropriate, procedures exist for formal dispute resolution.

Visit [Student Conduct](#) online for more information.

Student Health & Wellness

Dalhousie Student Health & Wellness is committed to providing quality **healthcare** and services to promote and enhance students' good **health and well-being**. Student Health and Wellness services are easily accessible and geared toward the unique health needs and concerns of students.

The Halifax campuses' [Student Health & Wellness Centre](#) is located on the second floor of 1246 LeMarchant Street. The Centre's interprofessional team includes:

- counsellors
- doctors

- health promotion experts
- nurses
- psychiatrists
- psychologists
- social worker

Students can [book online](#), call or stop by the Student Health & Wellness Centre for a same day medical or counselling appointment.

The [Agricultural Campus' Health Services](#) clinic is located in the Dairy Building, next to Cumming Hall. Registered nurses at the clinic provide confidential assessments, health education, on-the-spot testing and treatment for conditions such as urinary tract infections, strep throat, sexually transmitted infections, as well as cold and flu assessments, first aid, stress management guidance, and select immunizations and immunization updates. Nurses also provide referrals to appropriate community resources.

A campus physician is also available by appointment. Physician appointments can be booked by contacting Health Services.

All students must have [medical and hospital coverage](#). All Nova Scotia students are covered by the Nova Scotia Medical Services Insurance. All other Canadian students must [maintain coverage](#) from their home provinces.

International students have the same access to services, supports, workshops, events and online health and wellness resources as Canadian students, as well as additional services available to you, detailed [here](#). All non-Canadian students must be covered by medical and hospital insurance. Details of the Dalhousie Student Union International Health Plan can be found [here](#).

Studying for Success

At Dalhousie, we have dedicated staff available to assist students in becoming more efficient and effective learners.

On the Halifax campuses, the [Studying for Success program](#) offers workshops to small groups of students to develop or enhance personal learning strategies and, when applicable, workshops are customized to focus on particular disciplines or fields of study ensuring that the workshop content is relevant to the needs of participating students.

On the Agricultural Campus, the [Student Success](#) Coordinator helps students reach their potential through a variety of programs and events. Students benefit from attending formal training in study skills and can make an appointment to meet with the Coordinator for one-on-one coaching or attend Study Skills sessions offered regularly throughout the year.

Topics regularly covered include time management, getting the most from lectures, critical reading, goal setting, note-taking, studying effectively, memorization and concentration, and preparing for and writing exams. Study Skills coaches provide one-on-one support either by appointment or on a drop-in basis and will refer students to other academic resources when appropriate.

If you are looking for assistance in understanding specific course content and assignments, or preparing for tests and exams, our tutors are able to help. We can match you to an appropriate tutor in your field of study.

University Secretariat

The University Secretariat provides professional and administrative support and advice to the Board of Governors and University Senate so as to facilitate their effective governance of the University.

The Secretariat manages, coordinates and informs the effective operation of the Board and Senate by:

- Supporting the operations of the University's governance bodies and their respective standing and ad hoc committees;
- Proposing and developing objectives and plans to establish and achieve priorities;
- Advising on governance issues and developing and implementing policies, procedures and processes that reflect governance best practices;
- Developing, implementing, managing and coordinating the University academic integrity, student discipline and academic appeals policies and processes, and maintaining official records relative to these processes;

- Serving as a repository for University policies and information and data on matters relating to University governance; and
- Facilitating communication and collaboration with key stakeholders.

UPass

The UPass is a transit pass that allows full-time Halifax-based Dalhousie students to ride the conventional buses and ferries in Halifax from **September 1 to April 30**. A separate Summer UPass is available for Halifax-based Dalhousie students enrolled full time in the spring/summer semester.

For qualified students, the UPass is a sticker placed directly on their DalCards. UPass stickers can be picked up from the DalCard Office, located at 6230 Coburg Road, and from the Student Accounts Office in the Henry Hicks Building. Qualified students on the Sexton Campus may obtain their UPass from the Sexton Student Service Centre, B Building, 1360 Barrington Street.

*Please note: students **must be registered full time** before they can receive a UPass.*

Writing Skills

Students in all disciplines at Dalhousie are required to write clearly to inform, persuade, or instruct an audience in term papers, lab reports, essay exams, critical reviews and other academic assignments. Students can benefit from a one-on-one discussion of their work with supportive instructors and peer tutors at the Writing Centre. In addition to the one-on-one tutoring, the Writing Centre hosts seminars held throughout the year on topics such as essay writing, science writing, mechanics of writing, English as another language, and admission applications as some examples.

In Halifax, you'll find the [Writing Centre](#) in the Killam Library's Learning Commons. Writing tutors are also available in satellite locations: Sexton Campus, Wallace McCain Learning Commons, Black Student Advising Centre, and the Indigenous Student Centre.

Students on the Agricultural Campus can visit the [Writing Centre](#) on the main floor of the MacRae Library.

The Science, Information Technology and Engineering Co-operative Education

Co-operative education (Co-op) in the faculties of Computer Science, Engineering and Science is based on the principle that an academic program combined with work experience in alternating terms, is relevant to and desirable for effective professional preparation. Work term employment, which varies from sector to sector and location to location, enables students to acquire experience in their areas of career interest, while academic terms are devoted primarily to fundamental and theoretical studies. These practical experiences and academic studies complement one another.

Eligibility

With the exception of the Bachelor of Informatics, Co-op is optional in all programs and supplementary to academic requirements of the degree. Students who wish to be considered for Co-op will be selected on the basis of academic performance and preparedness for the work environment. The minimum academic grade requirement for admission and continuation as well as the application deadlines, vary by program. See the [Apply to Co-op](#) section of the SITE Co-op website for details.

To enter and remain in Co-op, students must be in Good Standing and be eligible for admission to and/or advancement in their specialization. Students admitted into the program will register in the appropriate Co-operative education courses for each work term, and will be required to pay the Co-operative education program fees which includes a program fee for each work term and a one-time Co-op orientation course fee.

The Study/Work Sequence

The Co-op system requires students to alternate periods of study with periods of employment. The period of employment is called a work term and is normally four months in length. Study/Work term sequences vary by program. Most work terms begin in the third

year. Some Engineering sequences contain one, eight-month work term. Students are expected to be enrolled full time during their study terms.

For more information on study/work sequences, please visit the [Programs section of the SITE Co-op website](#), where each program's work term schedule is available.

Students are expected to be enrolled full time during their study terms.

Change of Study/Work Term Sequence

Students are expected to follow the sequence to which they have been assigned or as prescribed for their program. Deviation from the prescribed sequence requires the submission of a formal request, and approval from the student's Faculty and Co-operative Education. Schedule change requests must be submitted at least one month in advance of the proposed changes, and students must be in good academic and Co-op standing. The submitted plan must outline a clear path to graduation. Students are not permitted to end their academic plan with a work term.

Study and Work Term Dates

The work term usually begins on the Monday of the first month of the term and ends the last Friday of the fourth month of the term. Start and end dates may vary depending on the needs of the Co-op employer and work term dates should be confirmed with the employer before the start of the work term.

Co-op students must work for the entire term and may not shorten its length. Work terms shorter than the expected 16 weeks of employment are approved by exception only.

Co-op Preparation – Co-op Orientation Course

The mandatory on-line Co-op Orientation course materials lead students through resources and activities to provide them with the tools to be competitive in their employment search and prepare them for a successful work term. This helps students understand the Co-op employment process and how it fits with their career development. Upon successful completion of the course, students will have the skills to:

- Identify where to find key information about Co-op education at Dalhousie University
- Prepare effective cover letters and resumes to compete for Co-op jobs
- Interview effectively
 - Succeed on their first work term
- Use myCareer in their job search
- Check for interviews
- Use the ranking and matching system

Employment

The employment process is highly competitive and factors such as academic performance, skills, motivation, maturity, attitude, professional conduct, flexibility, and performance potential determine whether an employer offers a student employment.

The SITE Co-op Office builds and uses its network to find a sufficient number of work term positions for the students enrolled in a program. Still, the openly competitive nature of the hiring process, and the fact that job offers come from employers, means that no guarantee of employment can be made.

If a student does not, for reasons beyond his/her control (e.g. shortage of employment in particular sectors, unexpected cancellation of posted jobs), secure employment through an interview process administered by Co-operative Education, every effort will be made to support that student's attempt to find a suitable work experience from alternative sources. Students are expected to work closely and remain in regular contact with Co-operative Education, especially while searching for Co-op employment.

A student who neglects to apply to a suitable quantity and variety of jobs, or who impairs an interview opportunity through unprofessional conduct, will be removed from the employment process and will not be given assistance by Co-operative Education in finding employment for the next scheduled work term.

Work term employment agreements are between the student and the employer. The Dalhousie University is not a party to these agreements and assumes no financial or legal responsibility with regard to events or actions by either party that affect the employment situation for any Co-op student (e.g. layoffs, intellectual property issues, confidentiality agreements, strikes). Students are encouraged to seek whatever professional advice and/or guidance about their agreements they feel is necessary.

The University monitors work terms and records the employer's evaluation of the student's performance. Every Co-op student must receive a grade for every work term and may not opt out of recording, or having submitted, an evaluation of his/her work term performance.

Responsibilities of Co-operative Education, Employers, and Students are detailed in the S.I.T.E. Co-operative Education website [Responsibilities](#) section.

Harassment/Discrimination/Safety

Employers have an obligation to provide a safe and respectful environment for all Co-op students. If a student experiences either harassment or discrimination in a Co-op workplace, the student should contact a coordinator at the SITE Co-op Office.

Similarly, issues of safety or expectations to engage in any behaviour that may pose a risk to the student's well-being should be brought to the attention of a coordinator immediately.

Discipline and Appeals

Disciplinary action is at the discretion of Co-operative Education and/or the Faculty in which the student is enrolled. An appeal process for students provides that disciplinary decisions made by Co-operative Education, either alone or in consultation with the student's appropriate Examinations/Standings and Promotions Committee or Faculty Associate Dean, may be reviewed or appealed at the request of the student.

Co-operative Education Degree Designation

Graduates completing the Co-op Program requirements will receive a "Co-operative" degree designation. Co-op Program registration and work term requirements can be found on the [SITE Co-operative Education website](#). Work term reports, also a requirement of a Co-operative degree designation, are administered by your faculty.

The Canadian Association for Co-operative Education (CAFCE)

Dalhousie University is a member of the Canadian Association for Co-operative Education (CAFCE). The SITE Co-op Programs adhere to the following CAFCE definition of co-operative education:

- Each work situation is developed and/or approved by the Co-operative Educational institution as a suitable learning situation.
- The Co-operative student is engaged in productive work rather than merely observing.
- The Co-operative student receives remuneration for the work performed.
- The Co-operative student's progress on the job is monitored by the Co-operative Educational institution.
- The Co-operative student's performance on the job is supervised and evaluated by the student's Co-operative employer.
- The time spent in periods of work experience must be at least thirty percent of the time spent in academic activity.

The SITE Co-op Office

The SITE Co-op Office is located at the Studley Campus on the 4th floor of the SUB, and the Sexton Campus at 1334 Barrington Street. In addition to Co-op job postings, the Co-op Office offers Co-op preparation and work term success courses, individual advising appointments and 15 minute drop-ins for résumé/cover letter/critiques, career exploration and decision making, job search, and mock interviews.
