

## How to Submit an Application Form

Login to the portal through the appropriate link.

1. [Internal User \(Dalhousie NetID\)](#)
2. [External User](#)

On the right side of the homepage, click Apply New.

APPLY NEW | News | Useful Links

Under **Dalhousie – Awards and Clinical Trials**, select the relevant form.

### **Dalhousie - Awards and Clinical Trials**

Application Name

[Investigator Checklist - Funding Application/Agreement](#)

[Investigator Checklist - Non-Funding Agreement](#)

The form includes a series of tabs at the top. Some questions, marked by a red asterisk, are mandatory to answer prior to submission of the form. The **Errors** tab on the far right will disappear, once these questions have been answered.

Orange buttons enable functional tasks like saving, printing, or submitting the file for review. The portal does not have auto-save feature, and it is recommended to click **Save** at regular intervals.

If you need to close the draft, click Save and then Close. This will take you back to the homepage. To open the draft again, click Applications: Drafts, which is found under the Principal Investigator or Project Team Member role block.

Role: Principal Investigator	
<a href="#">Applications: Drafts</a>	(1)
<a href="#">Applications: Requiring Attention</a>	(0)
<a href="#">Applications: Under Review</a>	(0)

Locate the relevant file, and open with the **Edit** button. The View button is read-only mode and will not allow you to save changes.

	File No	Project Title
	<input type="text"/>	<input type="text"/>
<input type="button" value="View"/> <input type="button" value="Edit"/> <input type="button" value="Clone"/>	<b>Ref No : 60695</b>	The impact of classro
<input type="button" value="Delete"/>		
<input type="button" value="Latest Workflow"/>		

Basic details are captured under the **Project Info** tab, including Project Title, Start and End Dates (these dates can be estimated if not finalized yet), and Keywords relevant to the project.

<b>* Project Info</b>	Project Team Info	Project Sponsor Info
<b>Title *:</b>	<input type="text"/>

	Certification C

Investigator details are automatically populated under the **Project Team Info** tab. By default, whoever starts the application is listed as the Principal Investigator. If the person is not actually the PI, they can still complete the checklist, but the PI must be the one to click Submit, as the equivalent of their electronic signature. [Click here for instructions on how to change the PI.](#)

If the lead researcher is at another institution, the Dalhousie researcher must remain listed as the PI on the ROMEO file, because they are seeking department and/or faculty approval and will be the account holder if funds are coming to Dal. The lead researcher can be added as a team member (if they have a profile in Dal's ROMEO system) or their details can be added to the team member information box under the Project Info tab.

	<input type="text"/>
Select	Training

The team member's profile details will auto-populate. The drop-down list can be used to select their role in the project.

Role In Project: Applicant

Position: Professor

Click the Save button.

**Tip:** Most of the existing profiles will be Dalhousie affiliates. If the PI wishes to add someone who is not on the list, two options are available. A request could be sent to [researcher.portal@dal.ca](mailto:researcher.portal@dal.ca) to create a profile OR the team member's details can be typed into the boxes under the Project Info tab. The second option is preferable if their names are being added for reference only, and it's not necessary for them to have access to the file in ROME0.

International Investigator or Collaborator Details: (Name, Institution or Organization, Country) :

Funding or collaborating agency details can be captured under the **Project Sponsor Info** tab.

Click Add New.

The screenshot shows a tabbed interface with four tabs: "Project Info", "Project Team Info", "Project Sponsor Info", and "Inv". The "Project Sponsor Info" tab is selected and highlighted with a red border. Below the tabs, there is a text instruction: "Click Add New to add funder and per fiscal year budget details for this proj". Below this instruction is a blue button labeled "Add New", which is also highlighted with a red border. Below the button is a table with a header row containing the word "Investigator".

Click Agency.

### Sponsor Info.

The screenshot shows the "Sponsor Info" form. It has two main sections. The first section is labeled "Agency:" and contains a text input field with the word "Agency" inside, which is highlighted with a red border. The second section is labeled "Program:" and contains a dropdown menu.

Search for Agency (name or abbreviation).

The screenshot shows the search form for agencies. It includes two radio buttons: "Start With" (unselected) and "Any part" (selected). Below the radio buttons are two text input fields. The first is labeled "Agency Name:" and is empty. The second is labeled "Abbreviation:" and contains the text "CIHR". At the bottom of the form are two buttons: "Search" and "Reset".

**Note:** If the agency is not listed, select the Agency Not Listed option. Type the agency name in the comment box provided.

Complete all fields and click ge

The next tab is the **Questionnaire** tab. The name of the tab will differ, depending on the form you selected. The tab will display several sub-tabs, from the left to the right.

Upload relevant documentation to the **Attachments** tab.

The **Approvals** tab shows the pre-programmed workflow. Most applications are approved by the department first and then the faculty, before reaching ORS or OCIE.

The bottom of the Approvals tab will display a list of signatories other than the department and faculty. The Questionnaire tab will provide guidance as to whether additional approvals are needed.

**Other Approvals**

Your institution may require that you obtain additional approval

Active	Department
<input type="checkbox"/>	DMNB signature required
<input type="checkbox"/>	IWK signature required

The **Logs** tab will automatically track changes to the file made overtime, as well as messages shared between signing authorities, researchers, and administrators.

When the application is ready to submit, click the Submit button. **Note:** Only the Principal Investigator can see the Submit button, since it's the equivalent of their electronic signature.

A pop-up box will appear. Add any comments to share with the signing authorities and/or office administrators, then click Submit again.

Upon submission, the file will move from **Applications: Drafts** to **Applications: Under Review**. At this point, no edits can be made, and the file will be read-only.

If the PI needs to make revisions, the Status Snapshot will display where the application is currently sitting. The Signing Authority or ORS/OCIE Administrator can return the application for revision.
